Shawnee Construction & Engineering, Inc. awarded new project.

April 6, 2011, Fort Wayne, IN: Shawnee Construction & Engineering, Inc. has been selected as General Contractor for new project estimated at over \$1.1 million dollars.

Fort Wayne Community Schools has awarded Shawnee Construction & Engineering, Inc. a \$1.1 million dollar contract for phase 3 of the *New Technology Center*, located at Wayne High School. The Center will include two new classrooms and a large multiuse room. Construction is slated for completion in August 2011. The project architect is SchenkelShultz, Inc.

Shawnee Construction & Engineering, Inc., a leader in the field of construction services, is a family-owned and operated business founded in 1968. Built on the philosophy that sound practices and long-term relationships are essential to building sound structures, the company combines old-fashioned integrity, hard work, and dedication with state-of-the-art technology to provide the highest levels of quality, value, and service.

Shawnee Construction & Engineering, Inc., specializes in general construction, commercial, industrial, medical, education and retail construction services as well as construction maintenance work.
