Shawnee Construction & Engineering, Inc. awarded new project.

June 5, 2011, Fort Wayne, IN: Shawnee Construction & Engineering, Inc. has been selected as General Contractor for new project estimated at over \$4.2 million dollars.

Women's Health Advantage has awarded Shawnee Construction & Engineering, Inc. a \$4.2 million dollar contract for a 37,000 Square Foot Medical Office Building, located at Dupont Circle Drive. The Center will include 35 patient rooms, two classrooms and a large multiuse room. Construction is slated for completion in December 2011. The project architect is Morrison Kattman Menze.

Shawnee Construction & Engineering, Inc., a leader in the field of construction services, is a family-owned and operated business founded in 1968. Built on the philosophy that sound practices and long-term relationships are essential to building sound structures, the company combines old-fashioned integrity, hard work, and dedication with state-of-the-art technology to provide the highest levels of quality, value, and service.

Shawnee Construction & Engineering, Inc., specializes in general construction, commercial, industrial, medical, education and retail construction services as well as construction maintenance work.
