Shawnee Construction & Engineering, Inc. awarded new project.

June 6, 2011, Fort Wayne, IN: Shawnee Construction & Engineering, Inc. has been selected as General Contractor for a new project estimated at over \$4 million dollars.

Kingston Healthcare has awarded Shawnee Construction & Engineering, Inc. a \$4 million dollar contract for a 14,000 square foot addition to Kingston Care Center of Fort Wayne located at 1010 Washington Center Road. The project will enable this short-term rehabilitation facility to better serve rehabilitation needs by enhancing personal space and room designs. Construction is slated for completion in 2013. The project architect is DSI, Inc.

Shawnee Construction & Engineering, Inc., a leader in the field of construction services, is a family-owned and operated business founded in 1968. Built on the philosophy that sound practices and long-term relationships are essential to building sound structures, the company combines old-fashioned integrity, hard work, and dedication with state-of-the-art technology to provide the highest levels of quality, value, and service.

Shawnee Construction & Engineering, Inc., specializes in general construction, commercial, industrial, medical, education and retail construction services as well as construction maintenance work.
