Shawnee Construction & Engineering, Inc. awarded three new projects.

February 1, 2010, Fort Wayne, IN; Shawnee Construction & Engineering, Inc. has been selected as General Contractor for three new projects, estimated at over \$2,200,000.

Inquest Health Systems has awarded Shawnee Construction the contract to build their MRI Center and Urgent Care medical offices. The \$650,000, 5100 square foot facility will be located at 6819 Lima Road and is slated for completion the end of May.

Monroe County Care Center, located at 47045 Moore Ridge Road in Woodville Ohio, has contracted a 14,000 square foot expansion, consisting of 15 assisted living rooms, a cafeteria, exam rooms, nurse's station and meeting room. Upon completion of this phase, 5 additional skilled nursing rooms will be added. The \$1.4 million dollar facility is scheduled for completion August 10, 2010.

Therapy ONE, located at 5050 North Clinton St. is scheduled for a 5,500 square foot renovation that will add 4 treatment rooms, reception and waiting areas and a large exercise area to their Physical Therapy offices. The \$150,000 renovation will be completed by the middle of March.

Shawnee Construction & Engineering, Inc., a leader in the field of construction services, is a family-owned and operated business founded in 1968. Built on the philosophy that sound practices and long-term relationships are essential to building sound structures, the company combines old-fashioned integrity, hard work, and dedication with state-of-the-art technology to provide the highest levels of quality, value, and service.

Shawnee Construction & Engineering, Inc., specializes in general construction, commercial, industrial, medical, education and retail construction services as well as construction maintenance work.
