Elmwood Communities award construction project to Shawnee Construction & Engineering, Inc.

Shawnee Construction & Engineering, Inc. announces contract for the Elmwood Assisted Living.

August 10, 2009, Fort Wayne, IN; Elmwood Communities has selected Shawnee Construction & Engineering, Inc. as General Contractor for their new Elmwood Assisted Living facility. The 61 unit residential care facility, located at 711 S. Walnut Street, New Bremen, Ohio, will include 10 studio, 12 large studio, 8 one bedroom, 14 large bedroom and 17 REM studio apartments. The \$5.3 million dollar, 55,000 square foot facility scheduled for completion June 2010, will create 45 new jobs when fully occupied.

Shawnee Construction & Engineering, Inc., a leader in the field of construction services, is a family-owned and operated business founded in 1968. Built on the philosophy that sound practices and long-term relationships are essential to building sound structures, the company combines old-fashioned integrity, hard work, and dedication with state-of-the-art technology to provide the highest levels of quality, value, and service.

Shawnee Construction & Engineering, Inc., specializes in general construction, commercial, industrial, medical, education and retail construction services as well as construction maintenance work.
