Shawnee Construction & Engineering, Inc. announces completion of healthcare facilities

September 2016, Fort Wayne, IN: Shawnee Construction & Engineering, Inc. recently completed several healthcare facility renovations.

Shawnee Construction & Engineering, Inc. recently completed, the **Women's Health Advantage** facility, located at 306 E. Maumee, Suite 101 in Angola. The medical office building is located near the DeKalb Hospital Campus.

Shawnee Construction & Engineering, Inc. also completed an expansion for **Orthopaedics NorthEast** at their current facility located at 5050 North Clinton Street, Fort Wayne. The addition adds several new examination rooms to the facility.

Shawnee Construction & Engineering, Inc., a leader in the field of construction services, is a family-owned and operated business founded in 1968. Built on the philosophy that sound practices and long-term relationships are essential to building sound structures, the company combines old-fashioned integrity, hard work, and dedication with state-of-the-art technology to provide the highest levels of quality, value, and service.

Shawnee Construction & Engineering, Inc. specializes in general construction, commercial, industrial, medical, education and retail construction services as well as construction remodeling and maintenance work.
