Shawnee Construction & Engineering, Inc. awarded contracts for school renovation

May 1, 2014, Fort Wayne, IN: Shawnee Construction & Engineering, Inc. has been selected as General Contractor for two school projects.

Southwest Allen County Schools has awarded Shawnee Construction & Engineering, Inc. a contract for an interior renovation including security upgrades and office relocation for their **Aboite Elementary School** facility located at 5004 Homestead Rd in Fort Wayne. The \$535,000 project is scheduled for completion September 2014. Moake Park is the project architect.

Fort Wayne Community Schools has awarded Shawnee Construction & Engineering, Inc. a contract for a façade replacement for their **Towles School** facility located at 420 E Paulding Road in Fort Wayne. The \$1.2 million dollar project is scheduled for completion August 2014. H2 Designs is the project architect.

Shawnee Construction & Engineering, Inc., a leader in the field of construction services, is a family-owned and operated business founded in 1968. Built on the philosophy that sound practices and long-term relationships are essential to building sound structures, the company combines old-fashioned integrity, hard work, and dedication with state-of-the-art technology to provide the highest levels of quality, value, and service.

Shawnee Construction & Engineering, Inc. specializes in general construction, commercial, industrial, medical, education and retail construction services as well as construction remodeling and maintenance work.
