## Shawnee Construction & Engineering, Inc. awarded contract for new facility.

**July 7, 2015, Fort Wayne, IN:** Shawnee Construction & Engineering, Inc. has been selected as General Contractor for a new apartment facility.

**The Townhouse Retirement Center/BHI Senior Living** awarded Shawnee Construction & Engineering, Inc. a contract for a new 69,714 square foot facility that will be incorporated into the existing **Townhouse Retirement Center complex** located at 2209 St. Joe Center Road in Fort Wayne. Located in 2 separate wings, the **Towne House Apartments** will consist of 34 new 1, 2 and 3 bedroom apartments. The \$10 million project is scheduled for completion late summer 2016. EGA PC, from Newbury, MA is the project architect.

Shawnee Construction & Engineering, Inc., a leader in the field of construction services, is a family-owned and operated business founded in 1968. Built on the philosophy that sound practices and long-term relationships are essential to building sound structures, the company combines old-fashioned integrity, hard work, and dedication with state-of-the-art technology to provide the highest levels of quality, value, and service.

Shawnee Construction & Engineering, Inc. specializes in general construction, commercial, industrial, medical, education and retail construction services as well as construction remodeling and maintenance work.
